

GET GOLF READY

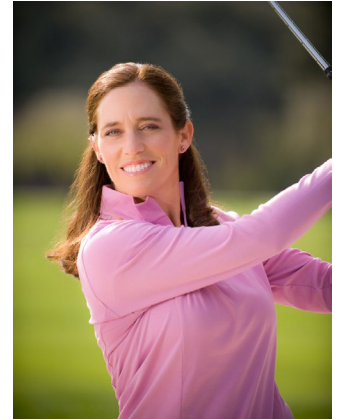

with Katherine Marren, Director of Golf Instruction

GGR is an instruction program designed by the PGA of America for beginner and lapsed golfers. Quail Lodge Golf Academy has embraced the PGA's initiative to help eliminate the barriers that keep people from playing the game and to provide support and positive experiences for new golfers. Our GGR classes help our students enjoy the best aspects of golf: learning a new lifetime sport, meeting new friends, getting exercise and having fun in a healthy environment.

Quail's GGR program is unique in that it offers tiered learning with 3 distinct classes to increase the opportunity for students to move through the various steps of the learning process with additional support and instructional opportunities so they become even more comfortable and excited about the game with each level of learning.

If one of our group sessions doesn't fit your schedule or learning style; try our GGR private lesson series. This series of five 50 minute private lessons covers all the basics of the game for the low cost of \$299. Add a friend for \$100.

Please contact golfacademy@quailodge.com for questions or more information.

2017 GET GOLF READY CLASSES

Orientation: \$39

First Step

Our orientation is the perfect class for total beginners who aren't sure about committing to 5 classes yet. It is an easy 2 hour introduction to the game. First, we start with an orientation of the facility and then move to the driving range to learn about the clubs and game. Next, you will receive hands-on instruction on putting and the full swing. Finally, we will wrap up with a Q&A session. This should allow the student to have all the information they need to know if they want to delve in further. We suggest this class for total beginners who have never played and as a warm-up for Level 1 if you have not had much previous instruction.

Level 1: \$199*

Learn to Swing

Level 1 of Get Golf Ready meets for five 90 minute sessions with an emphasis on learning the basic fundamentals of the swing and how to hit the various shots and clubs in the bag. Students learn how to swing and receive valuable tips for getting started on the course. Quail provides complimentary club rental during class and will provide tips on the student's next steps for improvement and a basic club fitting if desired.

Level 2: \$199

Learn to Play

Level 2 offers five more 90 minutes sessions split into equal segments of range instruction and on course activities. Students become more comfortable and confident on the course and are now ready to book their own tee times and start playing with friends.

Space is limited so register now at active.com and receive additional discounts for early registration.
